March 2020

~A Month of Lent~

Dr. Horn	1	Dr. Patrick Horn ~ Senior Minister
From the Moderator	2	"And he fasted forty days and forty nights, afterward he was hungry." -Matthew 4:2
Women's Aux	3	Lent is the period between Ash Wednesday and the observation of the Last Supper on Maundy Thursday. It is always about 40 days, this year from February 26th to March 9th, imitating the 40 days of fasting that Jesus undertook in the wilderness prior to the temptations offered by Satan. Like fasting itself, Lent is supposed to be a time of repentance, of preparing one's heart by turning away from self-interests. So Christians often participate in Lent by denying themselves something to remind them that this is a time to turn away from selfish cravings and toward a life of service to others and of fellowship with Christ in preparation for Easter.

In Remembrance	9	The entire month of March is in Lent this year. You may have chosen to participate by eliminating something from your diet or your personal practices. Whether you made that choice or not, it is important to participate in the spirit of preparation for Easter when we celebrate the ultimate act of redemption, the redemption of death itself. Preparation involves not only the denial of self interests but also thoughtful reflection, prayer and service to others. In this Lent season, join your community at Pilgrim in those practices which prepare our hearts for the Season of Easter, the season in which God's love overcomes all our failings, everything that separates us from God. Prepare your hearts for love!

PILGRIM PATHS WORKING

FROM THE MODERATOR

Just about everyone is familiar with the NBA slogan, “March Madness.” Aptly named and alluding to the busy-ness of the big tournament, it also demonstrates the huge effort needed for scheduling, choosing venues and so on. Here at Pilgrim our path through March could be called “March Magnitude.” Our schedule is full of activities this month-Saturday Rummage Sorting Parties, youth activities, a Wednesday Night Dinner featuring our own Pomona Police Department, and the list goes on. We are blessed. Amidst all of this is our singular path to the cross. The Ash Wednesday service reminds us of the breadth of God’s love and His greatest gift of all. The sheer magnitude of Jesus’ sacrifice keeps us together on our path, focused on the message of Easter. We are glad we can share this special journey together.

Sue Selters, Moderator.

On behalf of Pilgrim Congregational Church,
I would like to thank the Ministerial Search Committee
(and officially dismiss the committee.)

These nine members worked tirelessly for over one year to present a candidate to the church for the position of Senior Minister. Members were: **Steve Whyte, Mary Beth Prendergast, Bob Smith, Jon Olson, Kristie Hutchinson, Charlotte Selters, Bill Parnell, Tim Mengle and Sherry Glab.** We are proud of their hard work, dedication and focus. They navigated a long path for Pilgrim Church this year, and I am proud to know these nine members who worked so hard.

Thank you!

Sue Selters, Moderator.

Women's Auxiliary

Our February 5 meeting was highlighted by “Lavender and Dish Gardens” presented by Jan Smithen and Jeanne Nolden. The program was well attended. Our wonderful luncheon host was Janet McBride.

Our next meeting will be on March 3. The program will be “Paradise Lost (In Fire)” presented by Jack and Shirley deCoup-Crank. Jack and Shirley are survivors of the fire in Paradise California. Our luncheon will be hosted by Don Sanders. We look forward to seeing you there.

There will be two dinners hosted by the Auxiliary this Spring. The dinner on March 18 will highlight safety tips from Pomona PD. The second dinner will be on Maundy Thursday, April 9th, hosted by Sherry Glab. Dinners are at 6:30 PM. Adults \$10.00 and children \$4.00. Everyone is invited to attend.

We are gearing up for our spring rummage sale. This year it will be on April 25, 2020. Volunteers are welcome. This is a big project and many hands are needed to make it a success. The Women's Auxiliary would like to invite the younger women of Pilgrim Congregational Church to participate in the startup of a new guild. A guild is an association of people with similar interests or pursuits that meet regularly to provide support for one another and for our church. This guild will provide our younger pilgrims a chance to participate in the creation of fresh ideas that can provide an integral part of the growth of our church. Guilds usually meet once a month for a social gathering including fun and fellowship.

If you are interested or know anyone that is interested please contact Andrea Gray, by call or text at (909) 900-6000, or by email at andreagray@aol.com.

March Library News

The library committee expresses their thanks to all who came to the annual library coffee on February 7th. We had around 70 people in attendance to hear **Larry Burns** tell some fascinating stories from his book *Secret Inland Empire*. Once again **Carol Hendrix** was our champion reader having read over 200 books in 2019. She won a Pilgrim Church tote bag. The door prize, also a Pilgrim tote bag, was won by a visitor.

The library committee met in late February to select books so be sure to stop by and check out the latest in good reading.

FACILITY USE IN 2020

There will be a lot of changes happening at the church, so when coming to the church, please remember to **check IN and OUT** with the office staff. This is extremely important in case of an emergency because if no one knows you are here, no one can look for you. It is also important so that you can know whether or not rooms are being rented by others. Renting our facility to others brings us much needed income. We want our guests to continue to come back to our facility, so we need to be respectful of their space. Also, if you are planning to meet at the church, let the office know so they can make sure the space you want is available. Following these procedures would be very much appreciated.

We are asking **all ministries** to be sure and contact the church office and submit a list of everyone who has keys to the church. We must keep and maintain an updated list for our insurance purposes.

Thank you,
Janet Stevenson, Facilities Use Chair

New Sound System

We are on our final push to raise funds to replace the sound system in Sanctuary. For those who have donated, we say a huge THANK YOU! For those of you who have not, please consider doing so now. We hope to start work in March. We have raised \$6,370 so far. Our goal is \$10,000 to match our generous donors. Remember, for every gift donated, it is matched twice. So your \$50 donation becomes \$150. Or your \$100 donation becomes \$300. Thank you again to all of those who have contributed already. We are over half way to our goal so please consider getting your donations into the office.

Thank You,

Patience Guild met February 12th at the home of Lisa Keepers to celebrate Valentine's Day by decorating cookies. This is a special event for the guild as Lisa bakes the cookies for us using her late mother-in-law, Doreen Keeper's sugar cookie recipe. Women's Auxiliary vice chair of guilds, Roberta Fisher was our guest that evening.

Annual Trivia Bee

Congratulations

are in order for Pilgrim Congregational Church's Trivia Bee Team for making the finals at this annual event sponsored by the Pomona Public Library.

First place went to the Pomona City Council, second place to Fairplex and third place to Pomona Rotary.

Karen Loehr, Megan Parnell and Bill Parnell made a good showing as Team Pilgrim. The questions were extremely difficult, but these three knew most of the answers. They were encouraged by many Pilgrims in the audience.

Judy Sanders won two gift baskets and Olympia Kunneset won one! The following people are recognized for donating money towards the \$300 entrance fee: Gail Bellows, Friday Morning Men's Breakfast Group, Patrick Horn, Patricia Newton, Bill and Megan Parnell, Patty Schelling and Sharon Willison.

A good time was had by all. Stay tuned for information on next year's event and plan to attend!

Vicinate Council

At 10 am on Saturday March 28th Pilgrim Congregational Church will host a Vicinate Council for the purpose of examining Dr. Patrick Horn for ordination. These passages from Dr. Elizabeth Mauro's *The Art and Practice of the Congregational Way* explain the purpose of a Vicinate Council:

A Vicinate Council is called by a local church, acknowledging its shared fellowship with these other Congregational churches. Because these churches have been in fellowship together, the representatives of the vicinate can offer wisdom to the church grounded in their knowledge of each other. The request for an Ecclesiastical Council of the Vicinate is so important to Congregational fellowship that it should be regarded as a high priority and sacred duty in our Congregational Way. Invited churches should make every concerted effort to participate in the council. Those who attend the council become a vehicle for the Holy Spirit to guide the church that is seeking discernment and advice.

In Vicinate Councils called for the purpose of ordination, a church asks the council representatives to "examine" the candidate it is proposing for ordination, to confirm or redirect its decision. The holding of a Vicinate Council also helps the new minister establish and sustain a relationship with the churches of the association. (Dr. Mauro's entire book is available for free online at https://www.naccc.org/uploads/6/0/0/9/6009825/the_art_and_practice_of_the_congregational_way.pdf.)

Members of the Pilgrim congregation are invited to observe this council meeting, though there will be a time of confidential consultation between the examiners. At that time, everyone that is not an examiner will be excused from the room. Please offer your prayerful support to both Dr. Horn and the local Congregational ministers who will convene this Vicinate Council.

We are making a couple of changes for this sale. We will be closing at 1:00 instead of 2:00, and Dr. Patrick Horn will be leading tours of the sanctuary twice during the sale. We hope to see you there!

The Future of Pilgrim Workshop Continues!

We had an excellent workshop on Saturday, February 1st. Dr. Linden provided us with our survey results from last fall and made some very helpful suggestions about the sorts of things we need to emphasize in our church. Dr. Horn gave a presentation on his perspective of Pilgrim and then led a discussion about things we can do to promote the growth of the Church.

But we ran out of time!

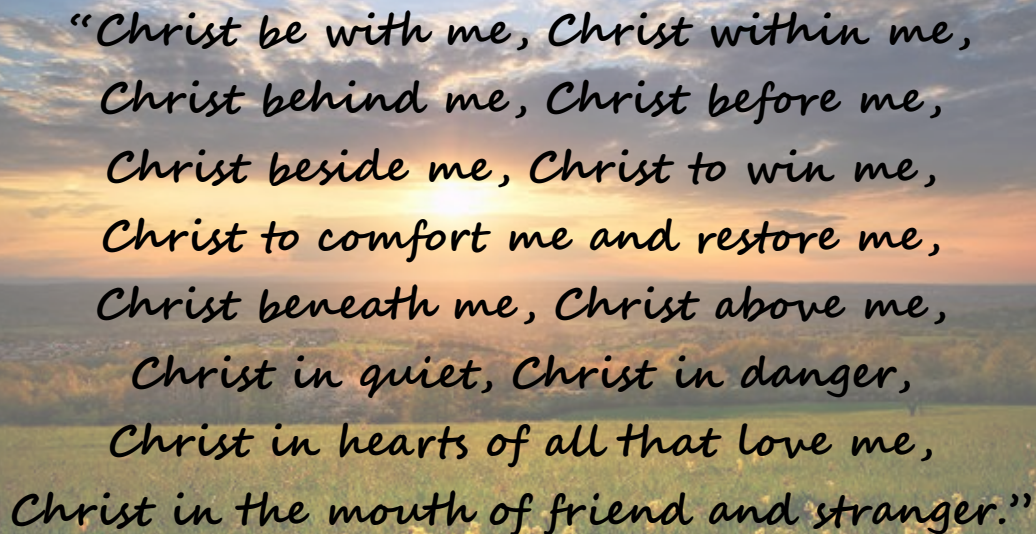

We will continue the discussion at a later date. We are especially interested in discussing suggestion for our boards. We will collect these suggestions and send them to the boards for their consideration. You can attend even if you have not attended either of the first two workshops. Be on the lookout for another date for fellowship and brainstorming.

~Dr. Patrick Horn
Senior Minister

Who Are We?

At our "Future of Pilgrim Church" workshop on February 1, we discussed how great it would be to learn more about our Boards. At the February Church Council meeting, this was also discussed. Please have your Boards write a short paragraph telling, in brief, some things you do for Pilgrim. Please include names of people on your board. We want people to discover who we are in this easy and informal format. Send your articles to the church office, and they can be included in some of our monthly newsletters. Don't forget the monthly deadline—Wednesday following Meeting Sunday @ 12:00 noon. Thanks.

PILGRIM PATHS WORKING

Each year for Lent the Outreach Board with the help of Pilgrim youth, collect donations for Heifer International. Thanks to the support from the congregation, we have been able to provide rabbits, bees, goats, flocks of chicks to families to help them become self sustaining. We have helped to bring clean water to villages that would have to trek miles each day for water and we have sent girls to school that would not otherwise have the opportunity. This year we are trying to do it again. Come check out the Heifer International table on Sundays in Pilgrim Hall, where you can find out information on how Heifer International is helping to end hunger and poverty around the world. On select Sundays we will have furry or feathered friends visit, representing the gifts we can give. So please keep your eyes out for our youth dressed as the many animals that are provided by Heifer International to help provide food and income to families and villages in need. They will be carrying around a milk can to collect donations each Sunday until Palm Sunday.

Together we can change the world!
