The Rule of Grace

"So he set off and went to his father. But while he was still far off, his father saw him and was filled with compassion; he ran and put his arms around him and kissed him."

~ Luke 15:20

Perhaps the most powerful parable in the Gospels is the story of the prodigal son. The younger son foolishly asks for an early inheritance, leaves home, and quickly loses it all. He is destitute, having only a share of what was fed to the pigs, when he remembered that his father's servants had plenty of bread and more to eat. So, he decided to go back home and throw himself at the mercy of his father and ask to live among the servants.

The father does not even give the young man a chance to ask his father if he could be taken on as a servant. A robe is brought out for the son to wear, and a celebration immediately ensues. The father does not say a word about the son's poor choices; he simply embraces him and celebrates his return.

This is the rule of grace. It does not take account or try to balance the books. Love, compassion, and forgiveness pour forth without measure. "My cup runneth over." An experience of grace is something that shocks us because it is so unexpected.

Can we appreciate grace when it is enjoyed by others? Can we recognize grace in our own lives? The rule of grace is not just what we enjoy from God; it is also the rule that followers of Christ live by. We are called to offer this grace to those around us, to respond with love, compassion, and forgiveness when the norm would be to expect restitution and compensation.

The standard for our relationships with one another and with the world is not fair and just compensation, but the Lord's rule of grace.

~ Rev. Dr. Patrick Horn, Senior Minister

MESSAGE FROM THE MODERATOR

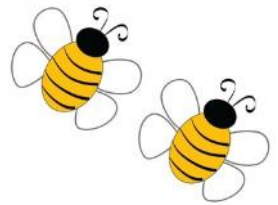

Sue Selters
Moderator

We Are Busy Bees at Pilgrim!

Pilgrims are busier than ever, it seems. We held a Saturday workshop to support our Welcome Home Campaign. We celebrated 135 years of Pilgrim and community on February 27th. As March comes in, we look forward to more activities and we are busy getting ready for the March 19th Rummage Sale. March brings us ever closer to the glory and majesty of Easter, and in all our “busy-ness,” we anticipate the quiet calm and contemplation of the Lenten season. We find an anchor in the solitude of the Ash Wednesday communion table as we pray with one another and with God. We are grateful for the Lenten season of reflection and some time to be a bit less busy.

~ And we rejoice.

SPECIAL THANKS FROM THE MODERATOR

THANKS TO YOU!

I would like to take this opportunity to say a huge “THANK YOU” to everyone who helped put together the 135th Pilgrim Anniversary. From office staff to custodial staff to the youth and many others—the list could be endless—

THANK YOU!

REGARDING BRUCE JONES!

In case you hadn’t noticed, some of the music for Sunday services was written by our own organist, Bruce Jones. The “Call to Worship” and the “Prayer Response” are good places to look in your Order of Worship for Bruce’s name.

We rejoice in his talents!

THANK YOU BRUCE JONES!

MESSAGE FROM THE MODERATOR ~ ELECT

Spring is Just Around the Corner

It's hard to believe that the first day of Spring is only a few short weeks away and Ash Wednesday is right around the corner, leading us into Lent and our Easter Season. Spring is such a wonderful time for growth. In nature, that comes from the right combination of sunlight, water, and planting. For our spiritual lives, it comes from the right combination of time with God, in service, and time with other Christians in fellowship.

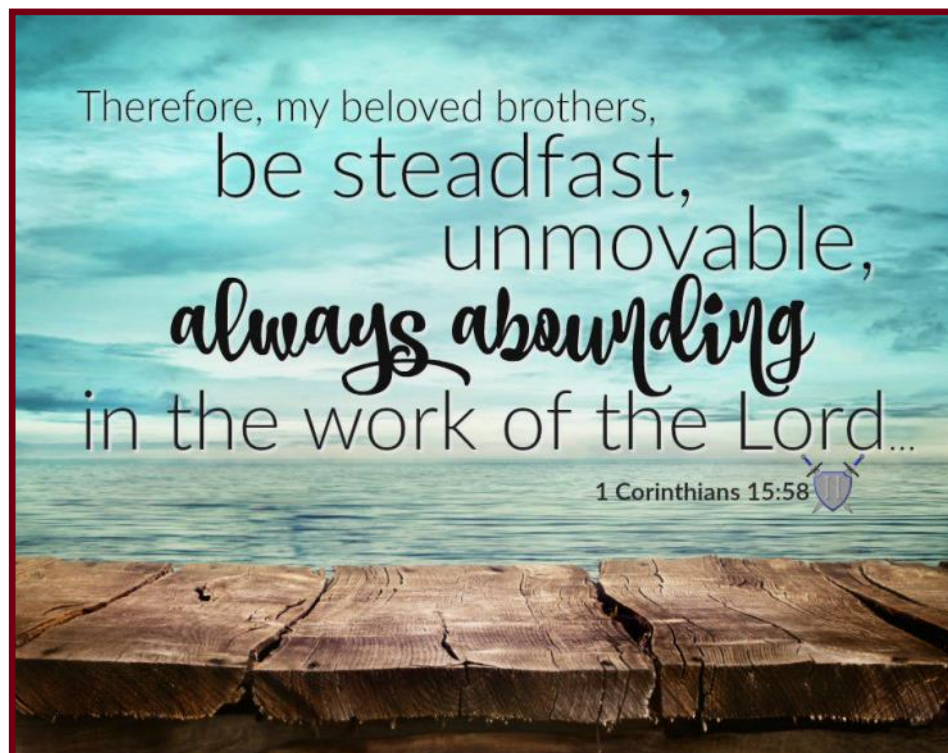

For those who were able to attend the Welcome Home Workshop, we learned about growing our congregation and planting seeds to bloom in the future. We had a wonderful time of fellowship and discussion.

The Welcome Home Campaign will continue to support membership expansion and as a congregation, we will continue to thrive. If you have ideas, suggestions, or input on how to spread our message, please let me know, or contact the Membership Board and share your thoughts.

There are many opportunities for every Pilgrim to become involved through service, volunteering, special projects, or simply by praying for our church and leaders. Let's continue to give thanks and work together as we enter this special season of growth, renewal, and resurrection.

Grow in Grace,
Christine Vanyo

PILGRIM PROFILES

Since St. Patrick's Day dominates March, it seemed like a good idea to feature our resident Irishman, **Bill Parnell**. (Charles Stuart Parnell was known as the great liberator of Ireland.) Bill was born and raised in Ontario, California, attending Chaffey High School and Junior College where he met his wife, Megan who is our librarian. He received a BA in Political Science from UCR.

After college he worked at Toys R Us for several years before joining the Social Security Administration, which included an assignment in Baltimore to help write a training manual. His next career was in insurance and investments, followed by Claremont Public Library where he helped to automate their check out system. His last career was at Honnold Library of the Claremont Colleges, retiring in 2014.

Bill has served on Diaconate, Outreach Board, Trustees and is currently on the Membership Board as well as serving a term as Moderator. He was an usher and helped start the live streaming of our services. In addition he has been performing as Pilgrim's Easter Bunny and Santa Claus. Bill was integral in getting Pilgrim's Worship Services online and can be found most Sundays working with Andrew Olson as our video/sound techs.

A favorite hobby of Bill's is reading and watching science fiction and you can always count on him for a funny pun that is sure to put a smile on your face despite whatever mood you are in. If you see Bill be sure to say hello and wish him and Megan a very Happy Anniversary as they celebrate 51 years together this month.

Bill and Megan Parnell celebrating their 50th Wedding Anniversary.

MUSIC NOTES

Susan Winckler & Nancy Rodewald
enjoy their soup supper.

On February 20, Harmonia sponsored the annual Soup Supper Social at Sherry Glab's home. Not only did it provide a fundraiser for Harmonia (Thank you Sherry!) but it was delicious and fun. Susan Winckler's ceramics for raffle provided extra entertainment as there was much "fighting" over the peacock vase which Don Sanders won and refused to give up.

Pilgrim Choir plus 12 guest singers from Mountainside Master Chorale and Choralescence sang during the 135th Anniversary program on February 27. Bruce Jones aptly played two rousing Bach Organ Prelude and Fugues and two of his compositions for the Prelude. "Our Hope for Years to Come" was an appropriate closing anthem while Susan Winckler concluded the service by playing "Old Hundredth" by Fred Bock.

Happy Anniversary, Pilgrim Church!

MESSAGE FROM ACROSS THE MILES

Hello! I hope that you are all doing well at Pilgrim. I think of you all often. I wanted to thank you for your prayers as I completed the North America Veterinary Licensure Exam (NAVLE) in November. I recently found out that both my sister, Heather, and I passed the exam. We feel so blessed for everyone who has prayed for us and for being very supportive of me during my time at Pilgrim. Currently, I am finishing my last few rotations before I graduate in May. Each month, I have gone to a different veterinary clinic gaining more knowledge and hands-on experience. It has been great meeting a lot of new people! Both my sister and I plan on returning back home to Lancaster, PA to practice small animal medicine. Thank you for all the kindness you showed to me. I hope to visit Pilgrim again!

Sincerely,
Katelyn Reist

Liturgical Notes by Dr. Horn: Purple was originally associated with royalty because it was a more expensive color to dye, and it was used to welcome the coming of a king. It also evokes pain and suffering. Purple symbolizes fasting, faith, patience and trust. It is the liturgical color used during the seasons of penance, Advent, and Lent. For Advent, purple symbolizes the impending birth of Jesus while foreshadowing his death.
