## MESSAGE FROM THE MINISTER

### A World in Need, Needs Compassion

*“Like sheep without a shepherd.” –Matthew 9:36*

When he saw the crowds, he had compassion on them, because they were harassed and helpless, like sheep without a shepherd.

Matthew 9:36

The gospel of Matthew says that when Jesus looked upon the crowds that gathered to hear him and to watch him perform miracles, he was moved with compassion for them, “because they were harassed and helpless, like sheep without a shepherd.” Jesus saw the need of the world.

For all its differences with 1<sup>st</sup> century Palestine, our world is similar in its deep need. We enjoy centuries of technological advances in medicine, healthcare, and engineering that have dramatically improved the quality of life for people in every corner of the world.

And yet, even in those communities, like our own, in which we have access to the highest available standards of living, people are still desperately lonely, children and teenagers are beset with psychological challenges that seem connected to technological advances, and political battles over cultural issues divide us from one another.

Ours is a world in deep need. Our response must be the response that Jesus gave: compassion. We must respond to this need with care and concern, a sacrificial love for those without a shepherd. We have the community to do this. We have committed ourselves to worship, to pray, and to serve. This is how the kingdom of heaven comes near to those in need. We offer our community and open our hearts to anyone who seeks the kingdom of heaven.

Church attendance and involvement continues to decline in the United States. There are many reasons for this, but one reason people lost interest in churches is that churches became too focused on things other than compassion for those in need. A church can bring the kingdom of heaven near to those in need if its focus is compassion.

Pilgrim Congregational Church does not have all the answers. Would such a claim even make sense? But in following Jesus Christ, we know that our focus must be compassion for those in need. And we know that we can do this best through worship, prayer, and service. We know what a world in need, needs.

*Rev. Dr. Patrick Horn*  
*Senior Minister*

# The Clerk's Corner

Dear Fellow Pilgrims, Staff and Friends of Pilgrim Congregational Church:

I am delighted to again serve as your Church Clerk for the 2023-2024 Church year under Moderator Sherry Glab. We are excited for Church Council to reconvene on June 7, 2023. The Council will welcome new council members and Board Chairs. A list of the Council members is available for all Pilgrims. The Clerk provides Minutes for all Council meetings as well as Congregational Meetings. Copies are available in the Church Office.

We invite all of you to attend at least one (or more) Church Council meeting as a visitor during this upcoming year. The experience can help in gaining an overall knowledge of the church government and the work required by many hands to manage and oversee our programs. Who knows - you might even find a special niche to become involved.

Additionally, this year, we are encouraging all Pilgrims to "visit" meetings of any Board that holds your interest. Perhaps you may be unable to commit to a full time position, but there is always room for volunteers. Please check the bulletin and newsletter for the schedule of Board meetings.

Finally, the Church Clerk is responsible for reporting deaths, births, new members, baptisms, confirmations, and other data regarding membership. If you have information you wish to share, please send a note or email to "Attn: Clerk" and we will be sure to include it either in the official records, newsletter or bulletin.

As always, if have questions about the functions of our church leadership, please request a copy of the bylaws from the Church Office and feel free to talk to Sherry Glab or me for in-depth information.

*In the meantime, I remain at your service!*  
*Christine Vanyo*

## PILGRIM PROFILES

**Ron Vanyo** first visited Pilgrim Church in 2010 as a guest of his wife, Christine. He has been attending for special occasions since that time. A lot of Pilgrims don't know that prior to joining, Ron was the "CEO" of Pilgrim Church (**C Christmas - E Easter - O only.**) Ron and Christine were married in Pilgrim Church. He joined officially in 2020 to support his grandchildren in their baptisms and church journey.

Ron is currently serving on the Board of Trustees as Vice Chair, and will continue next year as Chair. He also serves as an usher and worship assistant. Andrea Gray made him an honorary member of Friendship Guild and enlisted him to serve at coffee hour. He has been donating items and hosting coffee hour and Gather & Greet ever since. He rarely misses the opportunity to bring cookies and pour tea!

He with Christine have also been very supportive to Pilgrim's youth programs including opening up their home for youth events.

His career in construction has spanned over 40 years beginning as a journeyman carpenter in his hometown in rural Pennsylvania. He holds a degree in computer technology and is a certified OSHA safety trainer. After moving to California in the early 1990's, he worked in construction supervision and management. For the last 20 years, his work has been focused on building hotels, casinos and commercial buildings, acting as a project superintendent. Ron's passion is boating and he hopes to own a boat again soon. He is also an avid rider of his Harley motorcycle, an active member in the Ontario Elk's Club and full-time devoted grandfather to his four grandsons.

Ron and Christine have a blended family that includes their two sons: Jamie (Tiffany) and Justin (Kelly), who reside in Pennsylvania; and daughter Julie (Daniel) in Rancho Cucamonga. His family traces their roots back to their Slavic ancestors. The name "Vanyo" is Americanized form of **Slovak** and Rusyn (from **Slovakia**) Vaňo (see Vano.) Carrying on the Slavic traditions has become a family priority.

Pilgrim is important to Ron because he values the history of the church and loves the people. His goals are to help maintain the organization of the church, pass on the teachings and to create a support system for all members. He is determined to see the church grow and flourish and believes Pilgrim is a great place for families. Ron's love and dedication to the Church grows deeper over time. Most Sundays, you can find him talking it up in the gym using his gift of gab. He is proud to be called a Pilgrim member and we are proud to have Ron in our Pilgrim family.

# VACATION BIBLE SCHOOL NEEDS YOU!

Pilgrim is hoping to have its first Vacation Bible School since the summer of 2019 but **we can't do it without you!**

This year we are trying something new. Instead of a week long VBS, we will be holding 3 VBS sessions over 3 Sunday afternoons so that those who work during the week or have to attend summer school can participate. We hope to have 40 children across 4 different age groups (10 kids per group) and predict we will need a team of at least 20 - 25 volunteers each Sunday. *Sounds like fun, but you're not available all 3 Sundays?* If you can only do 1 or 2 Sundays, that is okay, we will work to have a full team each Sunday, but that doesn't mean it has to be the same volunteers, depending on the assign-

ment. *Love supporting kids, but working directly with them is not your strong suit?* That is okay as well. There are many supporting roles that need filling.

## How Can You Help?

We need: 3 to 4 teachers, lunch/snack leader, kitchen assistants, 1st Aide Nurse, Audio/Visual Tech., 12 to 15 Leaders In Training (these are typically our teen volunteers), Music Leaders, Worship Leader, Crafts Leader, and Recreation Leader, set - up & take down help (decorations, etc.,) prop and decoration building, photographer and more.

Donations needed include: lunch and snack items, water bottles (small), SWAG: VBS Shirts, bags, and music CDs, campships for those interested that are not be able to afford the fee and more.

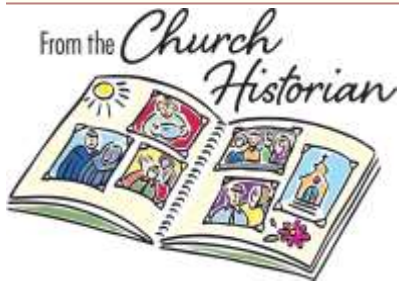

We want this to be an inclusive, faith & love through service, inspiring and of course FUN experience for everyone, campers and volunteers alike. Join us for a brief presentation on June 11th after worship service, but before CREW to learn more details about how you can help as well as get any questions you have answered.

Otherwise, **save the dates: August 6th, 13th & 20th** to join us as we take off to Adventure Island to find God's beacon of light within each of us. Not sure if you know how to do any of these jobs, don't worry, we will have a detailed training for all volunteers, on Saturday, July 29th at the home of Sherry Glab.

# Pilgrim Trivia

## Did you know...?

- \* In 1980, a 25-bell carillon system was installed in the Pilgrim Bell Tower. It replaced the 1926 Tower Chime System. The chimes were heard through loudspeakers in the tower and organ chambers. They could be played automatically or from a keyboard next to the organ console.
- \* In 2012, the carillon system was upgraded to an electronic system. The chimes were programmed to be heard in the immediate church neighborhood.
- \* In 2011, the South stained glass sanctuary window was restored through re-leading glass restoration and re-installation of the window. This was a one-year project requiring painstaking removal and transport piece by piece. The pieces were brought to Judson Glass Studios in Pasadena (descended from the original window creators generations earlier.) While the windows were being restored and the lead work re-done, Pilgrims were allowed to tour the glassworks studio and watch the work as it was being done. The huge window was returned to Pomona and re-installed in a braced and reinforced frame.
- \* Prior to 1985, the entire and massive Pilgrim sanctuary was heated via two furnace duct vent openings, located alongside the organ pipes at the front of the sanctuary. The enormous gas furnace system was located in the church basement. The furnace was replaced in 1985 upon recommendation of the Fire Department. Air conditioning was installed at the same time.
- \* The style of Pilgrim's architecture is "Early English Gothic of the 12th century."
- \* Pilgrim's Women's' Auxiliary members divided into ten smaller service groups called guilds. The guilds adopted Pilgrim-themed names: Charity, Harmony, Mayflower, Patience, Loyal, Pilgrim, Plymouth, Priscilla, Prudence and Purity.

*Respectfully submitted by,  
Diana Smith, Historian*

### Liturgical Notes by Rev. Dr. Patrick Horn -

**White** symbolizes purity, innocence, and birth. It is associated with the brightness of the heavens during daytime and was used to symbolize the purity of heaven and the angels. It also came to be associated with joy, celebration, and peace. White is the liturgical color of Christmas, Epiphany, and Easter.

**Green** symbolizes growth and life, hope and anticipation. Green is used in Ordinary time, the period of the Church calendar which gives attention to the Lord's life and ministry; it reminds us that the mission of the Church is to love the world and share the hope of Christ.
