MESSAGE FROM THE MINISTER

The Power of Remembrance

“Remember the wonderful works He has done..” ~Psalm 105:5

Psalm 105 has 45 verses, and nearly all of them recount the ways in which the Lord acted in the lives of the Ancient Israelites. To speak this Psalm is to participate in the powerful act of remembrance. And remembering is the first step in participating in the paradox of gaining one’s life by giving up one’s life in service to God. When we remember God’s acts in history, God’s works and blessings in our own lives and in the lives of those around us, we are acknowledging that our lives are part of something too big for us to fully understand or control.

There have been some very good movies about the role of remembering in our lives, and the ways in which memories make up our identities. Christopher Nolan’s 2000 drama, *Memento*, perfectly captures the way in which a life will fall apart without the continuity provided by our memories. In this case, the lead character desperately tries to piece together the solution to the mystery of his wife’s murder while struggling with short-term memory loss. The result is catastrophic.

By contrast, the 1998 sci-fi film, *Dark City*, suggests that humans are more than the sum of their memories. An alien race experiments with memories and humans, discovering that humans often act according to the influence of their memories, but the aliens cannot account for the unpredictable responses from humans. Our remembrances are powerful, and we fortify our identities according to what we choose to remember and yet, we must nonetheless live our lives as they flow.

Our participation in the life of the Church is a participation in the remembrance of God’s acts in history. Without this participation, we easily forget who we are: created persons, loved by God and created to love God and one another.

Remembrance does not guarantee that we will always act in accordance with God’s purpose and will for our lives. But without the power that remembrance bestows, we might be easily tossed and lost in the sea of life.

Thank You for Making the Basement Available for the Rummage Sale!

A huge thank you to all of the wonderful people who showed up to help at Church Clean-up Day on Sunday! The clearing out of the basement is a wonderful solution to our problem of trying to deal with furniture that's donated to the Rummage Sale. Now we have an area where we have adequate space to safely store donations. We are also going to use the space as our sales area, which will make it so much easier to display items for sale. It will also give our workers in that department easier access to prepare for the sale. Thank you to all who helped to make this happen.

Your very grateful Rummage Sale Co-Chairs,
Judy Sanders and Jan Manildi

NAPF/HOPE RECAP

To Milwaukee & Back Again

Three of our youth attended NAPF/HOPE Conference this year. **Christian Campbell** and **Berlyne Stillions** had to arrive early with **Sarah Campbell** as members of the Planning Committee. Christian, the HOPE representative and Berlyne, a NAPF Leader In Training (L.I.T.) **Nathaniel Campbell** was dragged along for transportation purposes and proved to be very helpful to the committee. Our Pilgrim Youth are to be proud of as they proved to be great leaders, so much so Nathaniel was elected to serve as a L.I.T. next year. We are also grateful to **Tim Stillions** for serving as a counselor as well as Tech Guy. You may have heard the reports from both the youth and adult conferences during Worship Service on July 9th, available for viewing on YouTube if you missed it. What is better than words are pictures. Check out the photo recap of the conference below.

NAPF/HOPE Conference was in Milwaukee, Wisconsin. The youth and counselors called Alverno College home for the week and there enjoyed sessions led by Joseph Legget, small group discussions, Karaoke style music praise and more. Guests were from Ohio, Iowa, Massachusetts, Michigan, Connecticut and California.

NAPF/HOPE RECAP

Berlyne & Sarah work together on finishing touches before guests arrive.

Tim gets everyone up and energized for the speaker leading “Rumba - Rumba”

Joseph Legget was the speaker tying the theme “Onward & Upward” to the story of Jonah, challenging us to find and follow our calling.

Sunday NAPF/HOPE merged with the NACCC for Sunday Worship and mission work allowing us to meet up with Sherry Glab, Mary & Luke Prendergast, Beth Brooks and Rev. Dr. Patrick Horn for fun and mayhem. We put together doormats & wrote messages of blessings & love on boards that would be used on Habitat for Humanity Homes

For lunch and silly fun between Worship Service and mission work we went to Whirly Ball for Pizza, Lazer Tag, Bowling and of course Whirly Ball. What is Whirly Ball? It is polo on bumper cars instead of horses. We use ball scoops instead of polo sticks and you have to hit a goal with the ball that is up high like basketball with out the hoop.

NAPF/HOPE RECAP

Why We Are Here: MISSION DAYS

Monday and Tuesday were Mission days. Each day began with breakfast, morning worship and packing lunches for the day away from campus. Day 1 we worked all day at Fr. Gene's Help Center. The help center provides dignity through free clothing to those in need. Day 2 the kids went to two locations. In the morning they worked at a food pantry run by a local Catholic school and in the afternoon they worked at a Habitat for Humanity Re-Store.

At Fr. Gene's Help Center we help to sort through clothing donations. Station 1 determined which clothes were worthy for the racks and what was not. Worry not, nothing is really thrown out unless grotesquely soiled, but put in a bin for the Salvation Army that has ways to launder and mend that Fr. Gene's does not. The next type, casual vs. formal, pants vs shirts,, etc. Top left you can see Berlyne working with a team on sorting. Next you see Christian and Nathaniel sizing pants. On the right, Tim is distributing sorted and folded clothes to their proper location. The kids worked through a literal mountain of donations and when there was no room to do more they worked on landscaping and cleaning around the building.

When arrangements were made with the Food Pantry to help out, they were concerned about the size of our group, that they would not have enough for them to do. They were passing out food and only had room for so many along with their regular volunteers. So I only sent 8 including our kids and they still thought that may be too many. Then the day of, we get there and are greet with blessings as they were told that morning they had to move the Pantry to the other side of the school and to get it done by noon. While the regular volunteers worked with the clients passing out food, our team transported the entire food pantry to a class on the other side of campus... and were done 30 minutes early. This was just the first part of the day.

NAPF/HOPE RECAP

In the afternoon they headed over to the Habitat for Humanity's Re-Store where they were hesitant to have youth help due to bad experiences. The kids were tasked with stocking items, tearing down boxes and cleaning up the store in general to create a more desirable experience. At the end, the manager said the store had never been so clean.

FUN DAY!

In the morning we did a listening tour of the amazing and beautiful Polish Catholic inspired Basilica of Saint Josaphat. In the afternoon we played at Grant Beach on Lake Michigan. Weather was warm, but the water was much colder than we Southern Californians are use to. We also had fun playing Volleyball and eating ice cream at Ferch's Beach Hut.

For Closing Banquet and Vespers we had a special dinner set up by Lynn and Stu Merkle at Billy Sim's BBQ. It was a delicious meal and just around the corner we walked to the Conservancy for one more session. The Conservancy is a peaceful Chapel in a beautiful location that includes a walking path down to a lake. We were honored to be visited by the Executive Director of the NACCC, Rev. Dr. Ashley Cleere. Each small group created a poster of what NAPF/HOPE meant to them and presented them to Rev. Cleere to be displayed at the NACCC office. We then had one last session with our speaker and broke out in small groups. Finally Christian and Berlyne passed the torch to the new leadership team which includes Nathaniel Campbell. Then we went back to campus for closing circle.

It was an amazing, inspiring, faith building, experience with wonderful fellowship creating friendships for a lifetime. We want to thank Pilgrim Congregational Church members for all your support making this trip possible. Thank you for investing in our youth by purchasing Stocks and participating in the Ice Cream Social and Car Wash and so much more. Thank you for supporting our youth with advice, emotional support or helping to create a safe place at Pilgrim Church that is like a second home, an extended family. Thanks for being the village that has watched and supported these youth since they first opened their eyes in this world. Each of the youth are someone to be proud of and thank you for being a part of it.

**And now, we get ready to head to Spokane, WA in 2023.
Save the dates, June 22nd - June 30th, 2024**
