#### MESSAGE FROM THE SENIOR MINISTER

#### **A Salty Church**

"Have salt in yourselves, and be at peace with one another." ~Mark 9:50

Jesus spoke in Mark 9 to the disciples about how to relate to those that were not part of the followers of Jesus. He encouraged his disciples to support anyone that was not against them. He went on to speak in graphic terms about how to relate to those that were against them: basically, don't have anything to do with them.

Jesus' remarks remind us that we can discern between those who are with us and those who are against us. The difference does not concern whether they follow us or agree with us or use our language. The difference is between those who love creation as God does and those who don't. This is not a matter of what people say; this is a matter of what people do. We can see the difference between those who love and those who don't.

When Jesus speaks of salt he is speaking about relationships. Salt retains its value when it is mixed with what is good but loses its value when contaminated with what is bad. We are not given the authority to determine who is in and who is out of the kingdom of God. But we *are* given the ability to discern between those who love and those who don't.

Our saltiness, as a church, will work best if we work with those in the community who love God's creation. This is a matter of discerning who in the community is living that love and joining forces with them as salt added to good food. We do this by supporting some very good organizations in our community. We provide financial support for some of these organizations, and we pray for them and encourage them in their work. We might also work with them on specific projects.

We strive to be a church that is the spiritual home of our community. Let us continue to be a salty church, supporting any group in our community that is doing the work of loving the community.

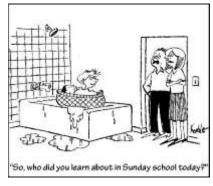

Rev. Dr. Patrick Horn Senior Minister

#### **HOLY HILARITY**

#### MESSAGE FROM THE MODERATOR

Alan Roxburgh, a featured speaker at the annual meeting of the NACCC, asserted that the "story" we have lived by in Western Culture since World War II (With hard work, education, and technology we will be successful.) has come unraveled like a child's security blanket that can no longer be repaired. He pointed us to our foundational story—the Bible—to see where and how God's people found God at work when their story (With the proper rituals at the Jerusalem temple and a faithful descendant of David on the throne we will be successful.) came unraveled with the destruction of the Temple and the Babylonian exile. For the Old Testament, he pointed to the letter of Jeremiah to the exiles (Jeremiah 29) advising them to settle down where they were and pray for the welfare of that place, for in its welfare would be their welfare. He called those who told the exiles that they would soon return to Jerusalem "false prophets." A Jewish colony was established in Babylon that continued, but

when the Persian Empire was established and return was possible, some exiles did return and focused on rebuilding Jerusalem and the temple and reestablishing life there.

For the New Testament, Roxburgh pointed to Luke-Acts. The city and temple had been rebuilt, but no descendant of David sat on the throne. People began to expect that such a descendant (the Messiah) would come and Israel (with its "story") would be restored. The disciples and others recognized Jesus as the hoped-for Messiah, but he rejected efforts to make him a political king (as Dr. Horn emphasized in his sermon on August 4.) Shortly before the birth of Jesus, Herod had rebuilt and greatly enlarged the Jerusalem temple. In Luke 21:5-6 we read "When some were speaking about the temple, how it was adorned with beautiful stones and gifts dedicated to God, he said, 'As for these things that you see, the days will come when not one stone will be left upon another; all will be thrown down." (The Romans would destroy Jerusalem and the temple in A.D. 70, shortly after the time of Jesus.) When Jesus appeared to his disciples after his resurrection, they asked "Lord, is this the time when you will restore the kingdom to Israel?" (Acts 1:6) The disciples, as well as many in Judea, were still hanging on to their story that was coming unraveled.

After Jesus returned to heaven, the believers initially stayed in Jerusalem and Judea, and returned to the temple. They chose another follower of Jesus to replace Judas, so that there would be 12 apostles, as there had been 12 tribes of Israel. Even after they were empowered by the Holy Spirit at Pentecost they initially kept their focus on Jerusalem and the temple.

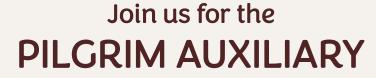

"Day by day, as they spent much time together in the temple, they broke bread at home and ate their food with glad and generous hearts praising God and having the goodwill of all the people. And day by day the Lord added to their number those who were being saved." (Acts 2:46-47)

Things changed only slowly. Persecution scattered believers from Jerusalem. God used a vision to convince Peter to share the gospel with a gentile family. On Paul's second missionary journey, after the Holy Spirit had not allowed them to continue their planned itinerary, "During the night Paul had a vision: there stood a man of Macedonia pleading with him and saying, 'Come over to Macedonia and help us.' ... we immediately tried to cross over to Macedonia." (Acts 16: 9-10) The believers found God was at work, and churches began to spread in Europe and throughout the Roman Empire.

#### PEAK INTO THE PAST

#### **The Pilgrim Auxiliary: Then & Now**

The Pilgrim Auxiliary began as a women's organization at Pilgrim Congregational Church in Pomona. The "Women's Mission" & auxiliary groups were formed at Pilgrim Congregational Church Pomona well before women in this country were allowed to vote! (1920). The first record of a "women's organization" at Pilgrim is dated July 1887, at which time women of the church organized and formed a "society" connected with the furtherance of the church and for charity work. This comes from notes found in early church ledgers. Any women member of Pilgrim could join the organization by paying an entry fee of 25 cents and monthly dues of \$0.10 each month.

This early women's organization formed a reception committee to welcome new church members, provided flowers for church services, decorated the church and its parlors, purchased six dozen silver-plated spoons (for \$0.75 per dozen) and plates and dishes for fellowship dinners. A new name for the group was adopted: "The Woman's Working Chapter," an understatement then and now!

The focus of the women's group in the early years (1887-1889) was to support the missionary work of the church and they later added fundraising projects in support of the church choir and for upgrading furnishings in meeting areas. In 1890, \$133.00 was raised and sent designated in support of the "Leper Fund." No details were provided on this project but surely it must have been appreciated!

**In 1906**, the women's organization raised funds for the earthquake victims of the San Francisco Earthquake. (I dream of someone finding an old diary in their attic that holds some early Pilgrim's recollections of this!) Over the years, 1914-1918, the women's organization funded the purchase of sewing machines to be used for various church projects, and these sewing machines were used by Pilgrim women to assist the Red Cross with making bandages during World War I.

In May 1910, Pilgrim women determined that the City of Pomona, which had established a zoo exhibition at Ganesha Park., an exhibit of caged wild animals, was being managed with inhumane treatment of the animals. The women's group, in true Congregational form, met, voted and adopted a Resolution of Concern for Cruelty to Animals, and challenged the city of Pomona, bringing about the closure of the caged animal exhibit. The outreach projects went on over the decades to include the founding of the Pomona Valley Hospital Women's Auxiliary Program, the Girls' Brigade, and "The Largest Community Rummage Sale in the Pomona Valley" (which continues today, twice yearly,) and many more church community alliances.

**In 1917,** the group reformed and renamed itself the "WOMENS AUXILIARY OF PILGRIM CHURCH" and included the development of 12 women's guilds' in service to the various goals and missions of the church and the community. The guilds were given Pilgrim names, such as "Harmony," "Mayflower," etc. Other guilds were added later such as the Patience Guild in the 1960s and the Friendship guild in the 1980s. Several of these guilds remain active today.

The Pilgrim Historian is most grateful for the fortuitous fact that, "WOMEN WRITE THINGS DOWN." Thanks to the trail of information and the preservation of precious item, we have been able to track ANY and MOST parts of our amazing Pilgrim History. Also, from time to time, great bits of Pilgrim and Pomona history show up from the hidden corners of many of our Pilgrim's lives.

Thank You! Diana Smith, Pilgrim Historian

The new testament has 27 books divided into 4 sections as well; the Gospels (or "good news,") History of Jesus, Letters and Prophecy. **Can you name all the books of the bible?** 

"I will teach you hidden lessons from our past—stories we have heard and known, stories our ancestors handed down to us. We will not hide these truths from our children; we will tell the next generation about the glorious deeds of the Lord, about His power and His mighty wonders." ~Psalms 78:2-4
